Jatin Gondalia's Initiative

## About Founder & Director :

**Dr. Jatin T. Gondalia** is well-known Teacher and Educationist in Rajkot (Gujarat). He is M.Sc., B.Ed., Ph.D. (Mathematics) and M.Sc. (Physics). He has worked as a Math Educator in Grades 11-12 ISC at SNK School & in Grades 11-12 CBSE & GSEB Modi Schools for 14 Years . He has extensive experience of Math tutoring in various levels for ISC, CBSE & Gujarat Board as well as JEE.

His Strong and accurate Management skill and regularity and punctuality are fantastic. His insistence on giving Personal attention to each student is noteworthy.

He is Very understanding, trustworthy and polite... A person having young and dynamic personality. He continues to be a source of inspiration and indeed very popular with his students.

He is known for his creative teaching pedagogy. His way of teaching is very unique through which he can give in-depth understanding of each topic to the students. His way of teaching is always interesting and uncommon. His teaching ability is such that it attracts the attention of his students towards the subjects. He teaches in such a way so that any topic, however hard it may be, can be easily understood by the students.

He is able to clear away students' fear of studies and to turn them into store-houses of knowledge without which a refined and inspiring life cannot be lived. He is one who can be easily approached by students, for he is truly student's philosopher and guide.

He is able to inculcate certain virtues among students, such as regular studies, punctuality, care of health, equal emphasis on reading and writing, perseverance, kind-heartedness, and the like.

He is a true visionary who understands the need for dynamic skills and career enhancement of young minds for a better tomorrow.

## Why Educrafters?

At **Educrafters**, the child benefits from a comprehensive curriculum delivered by experienced and expert faculty through an interactive and blended teaching pedagogy. Educrafters pride itself on having the faculty of highest caliber, as we believe they form the backbone of our learning center. Career Institute  
Jatin Gondalia's Initiative

### Our Mission

Cultivating excellence both academic and competitive aspects thereby training the youth for most grueling entrance level exams viz. Board exams, IIT-JEE & Entrance Exams.

### Our Vision

Cultivating excellence in academic, exploring creative areas of the dormant self, nurturing talent, aptitude & accompanied perseverance amongst the students to keep themselves abreast of the modern developments in the field of competitive examinations.

### Our Objectives

Creating a comprehensive enlighten of the subjects & help developing strategies to meet arduous competitions among the students to match, excel & ameliorate the competition-oriented education.

### Milestone

The exponential growth in the success ratio of the students of a coaching institute bears the testimony of its excellence. And the consistent top rankers from an institute add grandeur to its quality coaching. Educrafters is such an institution, where excellence is reflected in our excellent result year after year.

We have come a long way outshining our students, thereby making professional growth by leaps and bounds with our sheer hard work and sincerity. The incessant thirst for excellence has made us so invigorated that we have been surpassing our previous result every year which has made us a top institute amongst institute.
